Next you'll want to select pair with a Connect Section

**McGraw Hill connect**

**Quick links**

- [Pair with a Connect Section](#)  Associate this course with a McGraw-Hill Connect Section.
- [Unlink automatic sign-in](#)  Linked Connect email address: **poshaugh@odu.edu**  
Unlink the email address that is used to automatically sign you into Connect from Canvas. This will prevent manual syncing and remove direct access to Connect.

You'll now have the option to pair with a new Connect Course or an existing one

**CANVAS**

Hi, Paige !

## Pair your course with Connect

Your CANVAS Course

pair with  :

- A section in a **new** Connect course
- A section in an **existing** Connect course

I typically have already set up my section in advance in Connect.
